

Team Adrestia

Meeting Log 3:

03/08/18

Time: 3pm-5pm

Location: Math Library near Engineering building

Derek Thomas

Zihan Zhou

Heinz Boehmer

Natael Abraha

Tenzin Choedon

We discussed what we have done so far. The short meeting to catch up like an Agile Scrum meeting. Then we worked on finishing milestone two write up. We modified Trello to be specific. Then we develop a Giantt chart to layout the timeline and the task that needed to finish and who is working on what. We also discussed the layout of our website and the features of website and who will work on it.
